

SCIGANI

Witamy państwa,
oto Solarne
Wiadomości.

Z ostatniej chwili,
grupa przestępców
została zidentyfikowana.

Nie wiadomo o
nich wiele, poza
tym, że zważy się
„Szarzy”.

Nagroda za
ich głowę wynosi
100 000 000 000
za
jednego członka.

„Szarzy” są
oficjalnie
ścigani.

O nie.

Statek Szarych,
niektuga później

Musimy trochę
zmienić naszą
garderobę.

Xen, jaką
taktykę,
powinniśmy
obrać?

Lecieć do bardziej
cywilizowanych
terenów, gdzie
złapie nas policja?

Czy mniej
cywilizowanych,
gdzie złapie nas
bandycie?

A słyszales o
Phonie?

Nie.

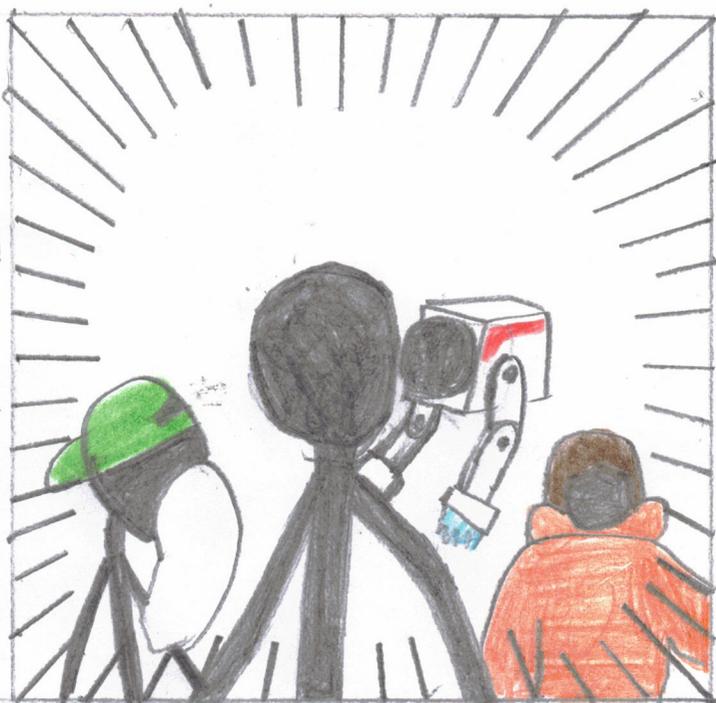

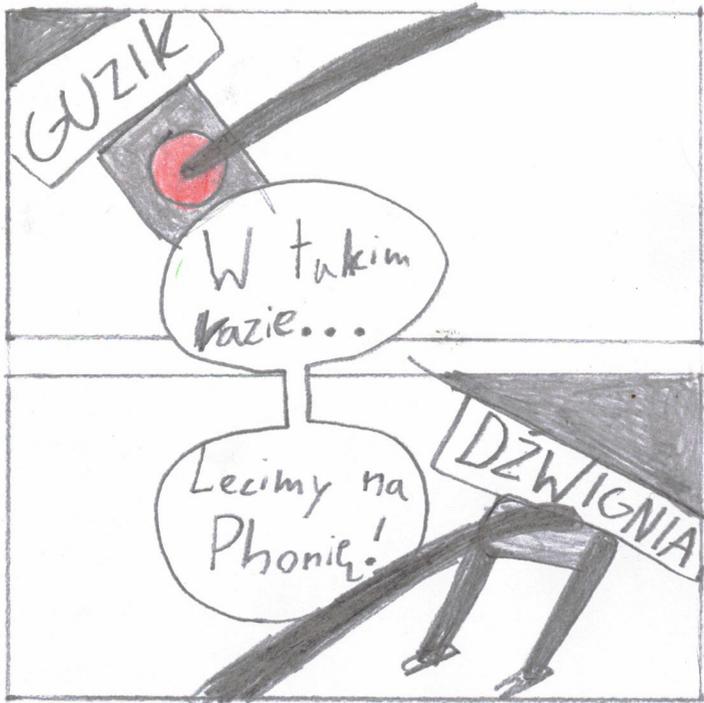

Phona to raj dla
Ściganych.

Bardzo mało osób
wie o tej planecie,
a większość ściganych
za dużą kwotę tam
jest.

Ufają sobie nawzajem,
bo wszyscy sobie
nie poradzą w reszcie
galaktyki.*

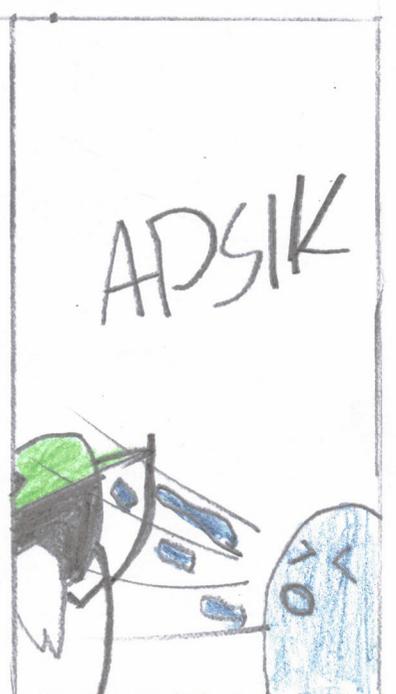

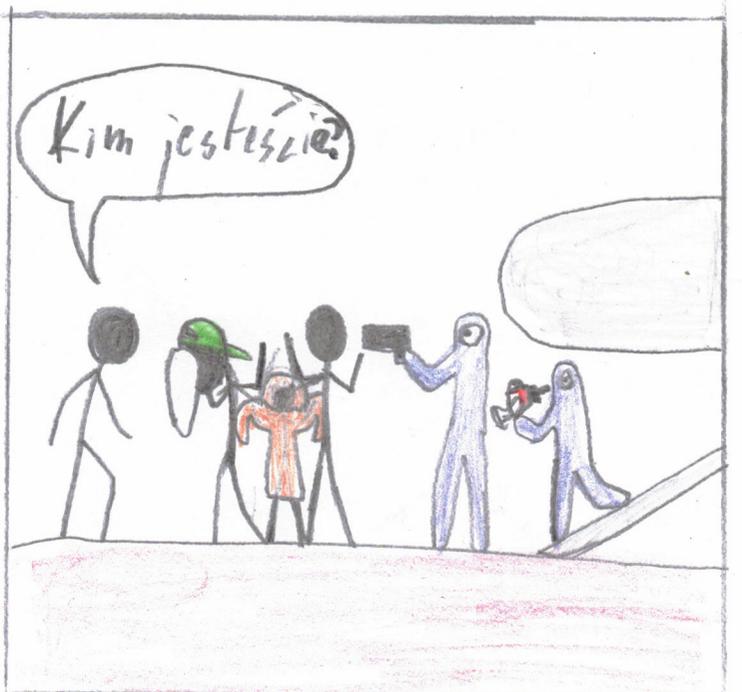

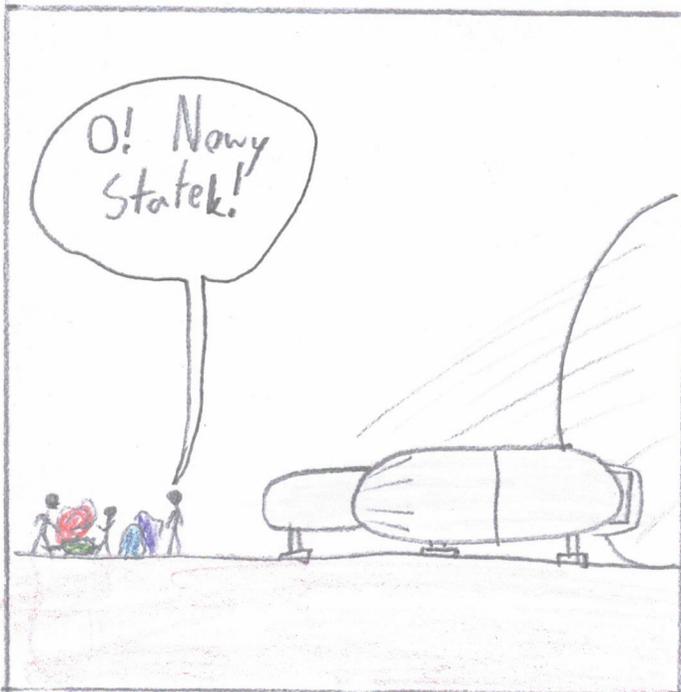

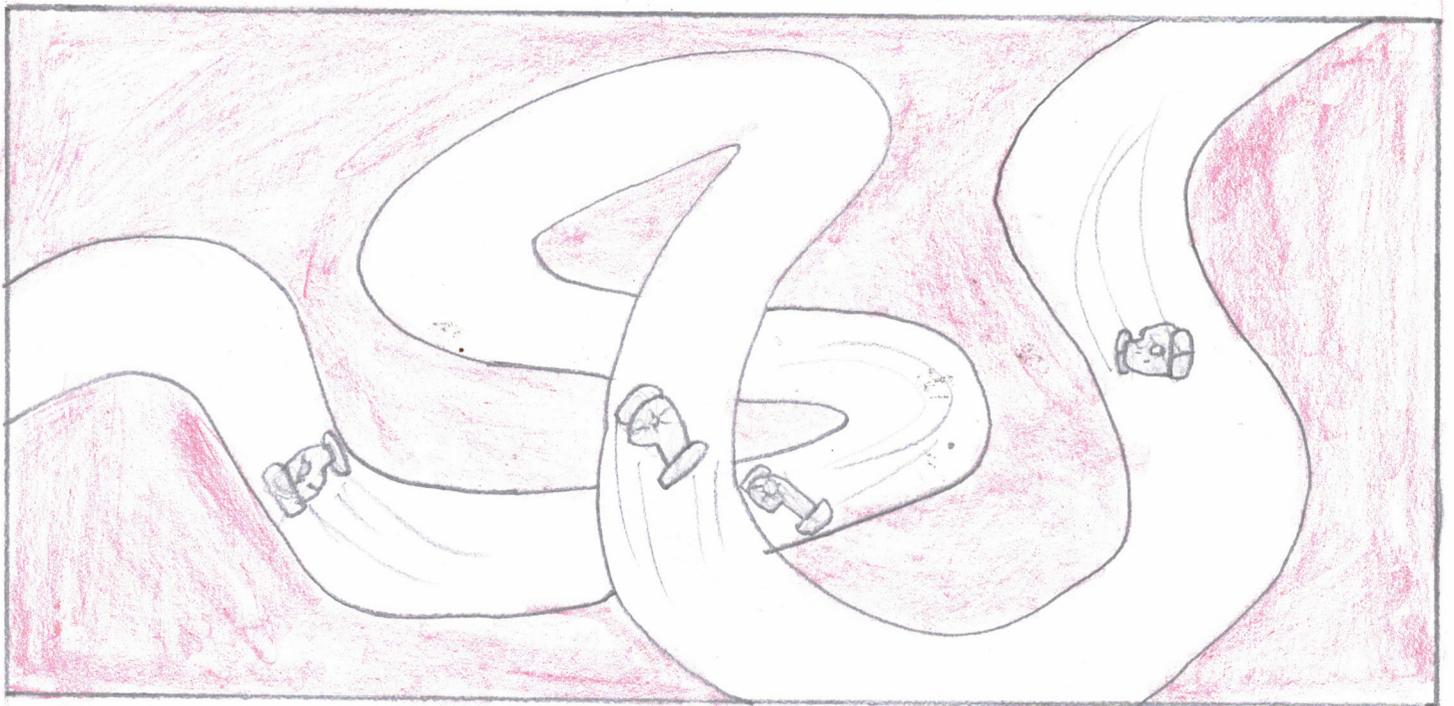

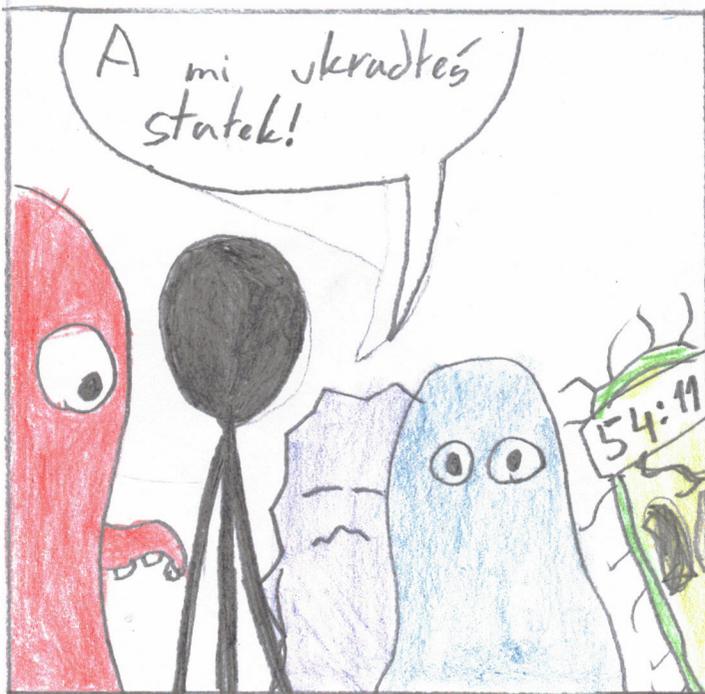

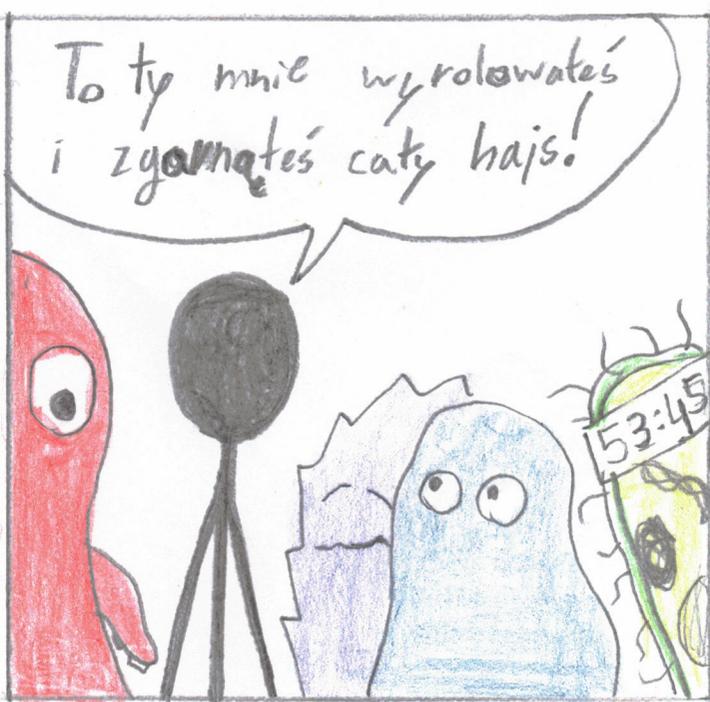

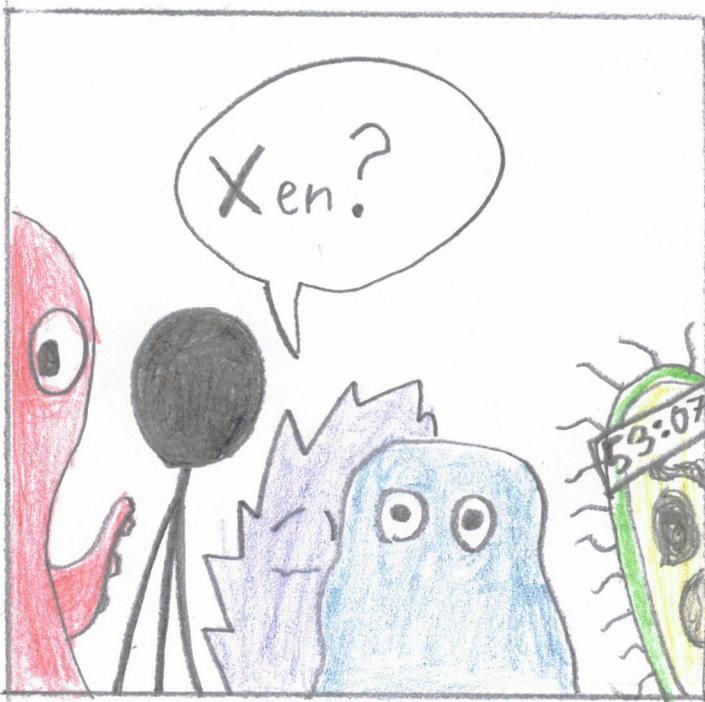

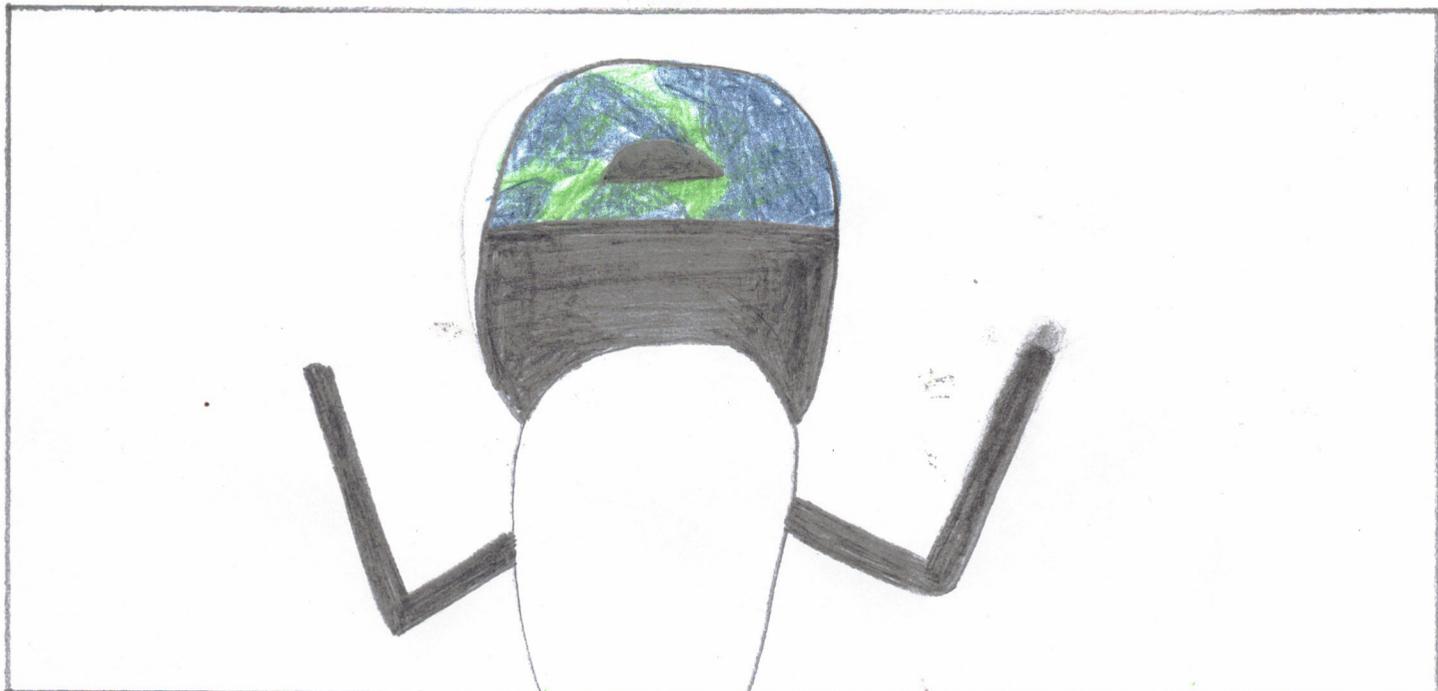

* Kto to
czyta?

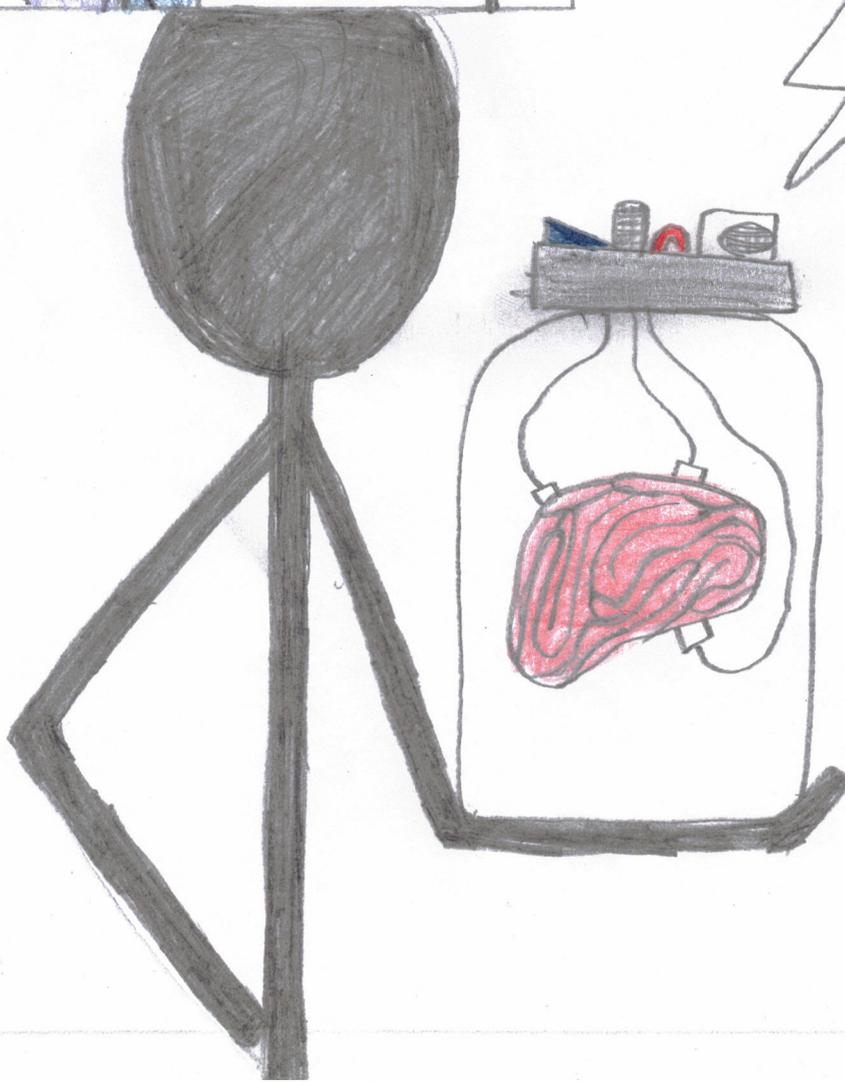

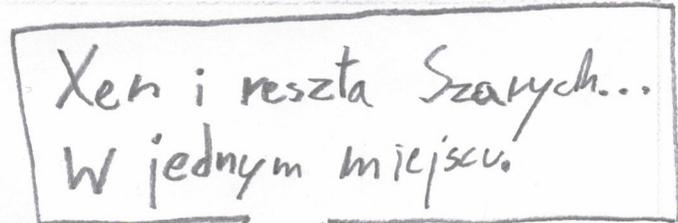

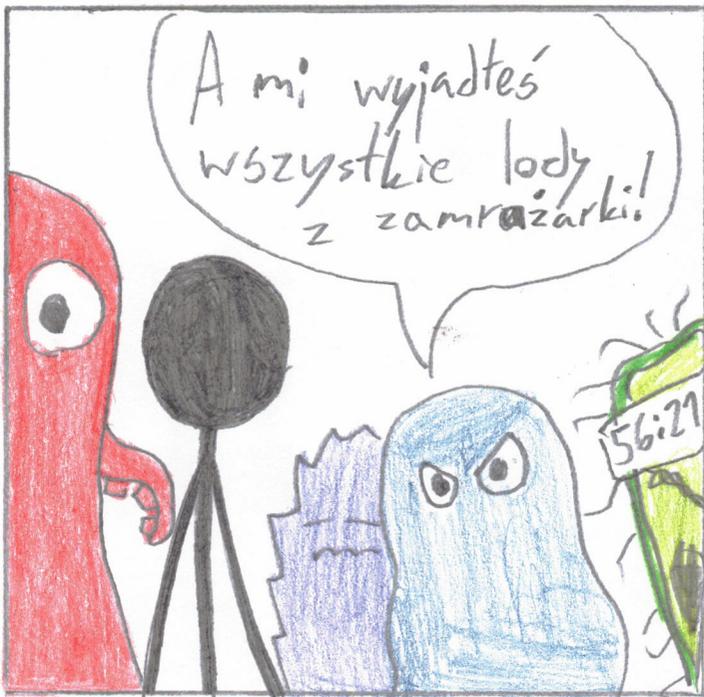

Trudno będzie przekroczyć przez tunele czasoprzestrzeni.

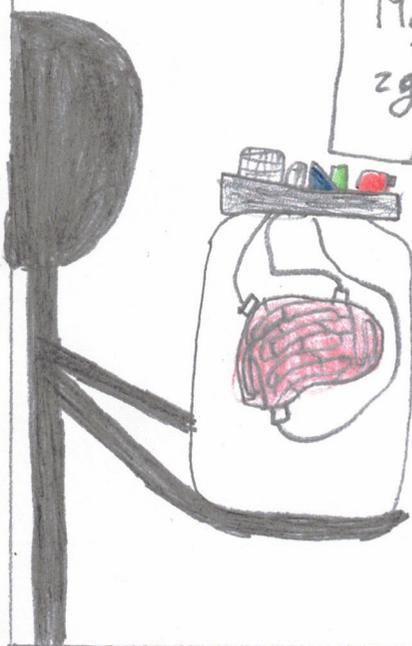

Moge za was
zgarnąć wysoki
sumke...

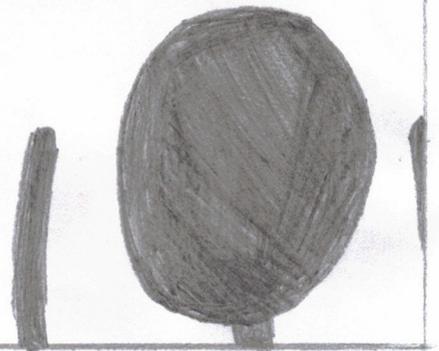

300 kaflí... takie
pieniądze nie roshu na
drzewach.

Ale miejsca w
pierwszym rzędzie
na waszej egzekucji
to wynagrodzu...

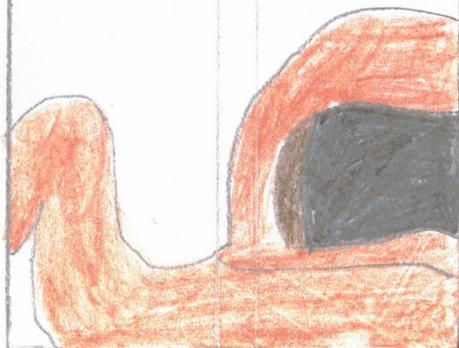

Mimo ze wasze długi
są o wiele wyższe.

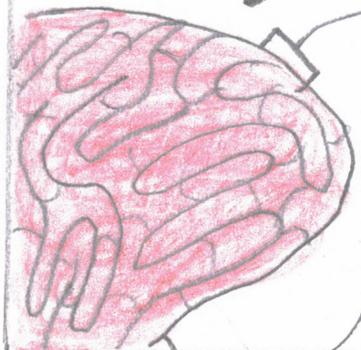

No i jeszcze
wasz troid...

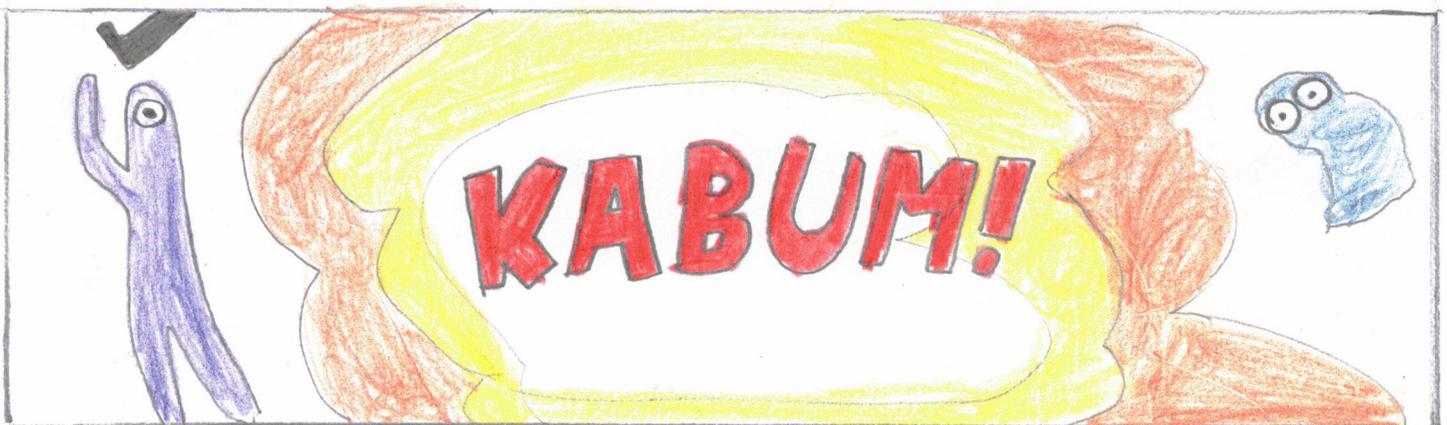

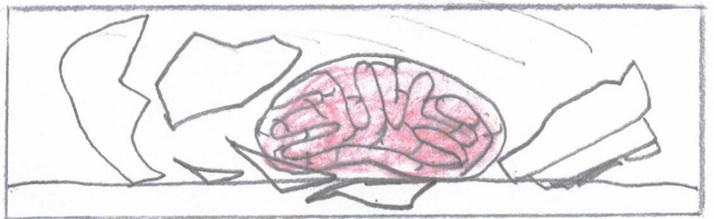

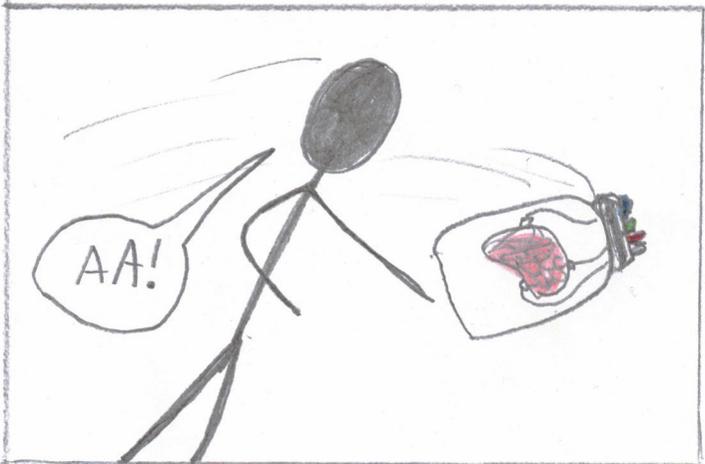

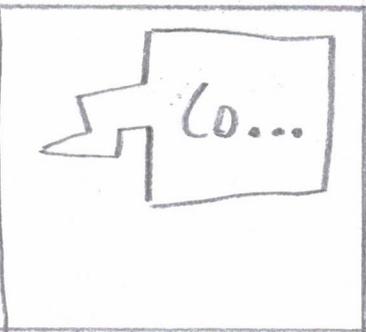

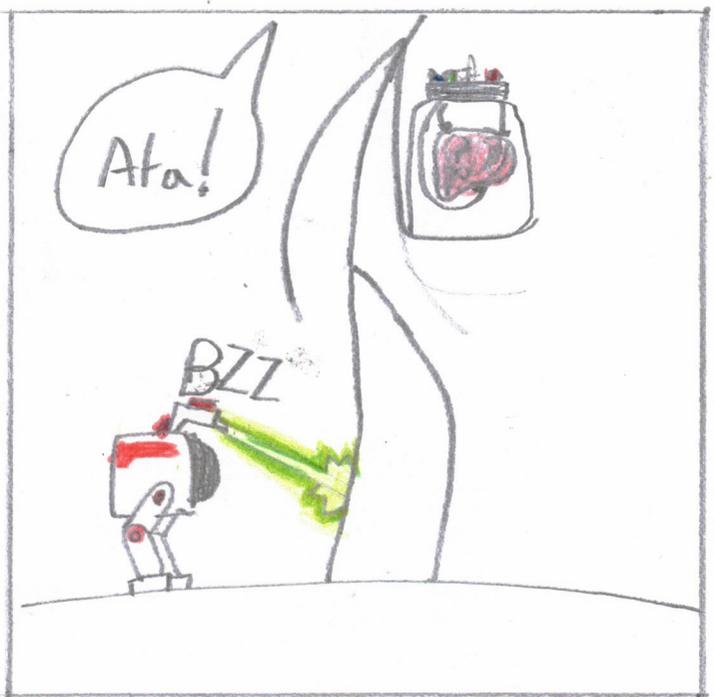

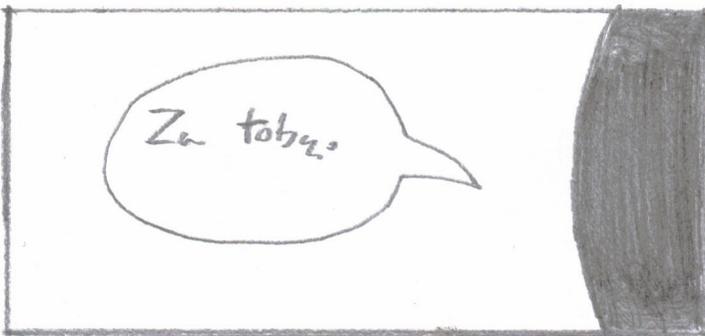

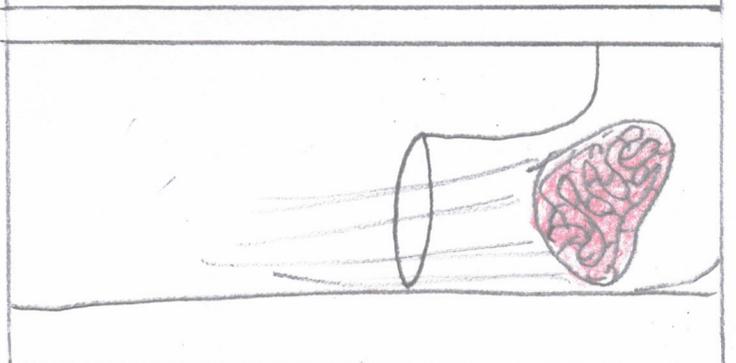

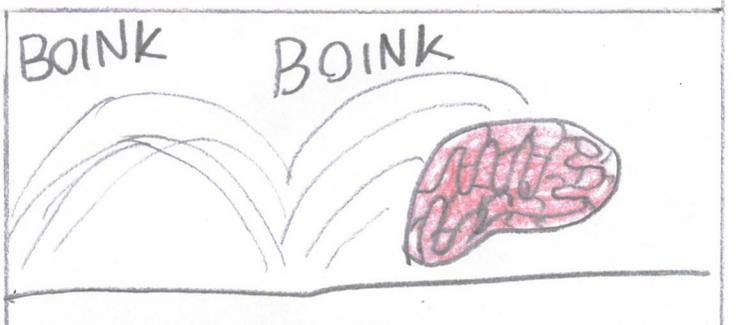

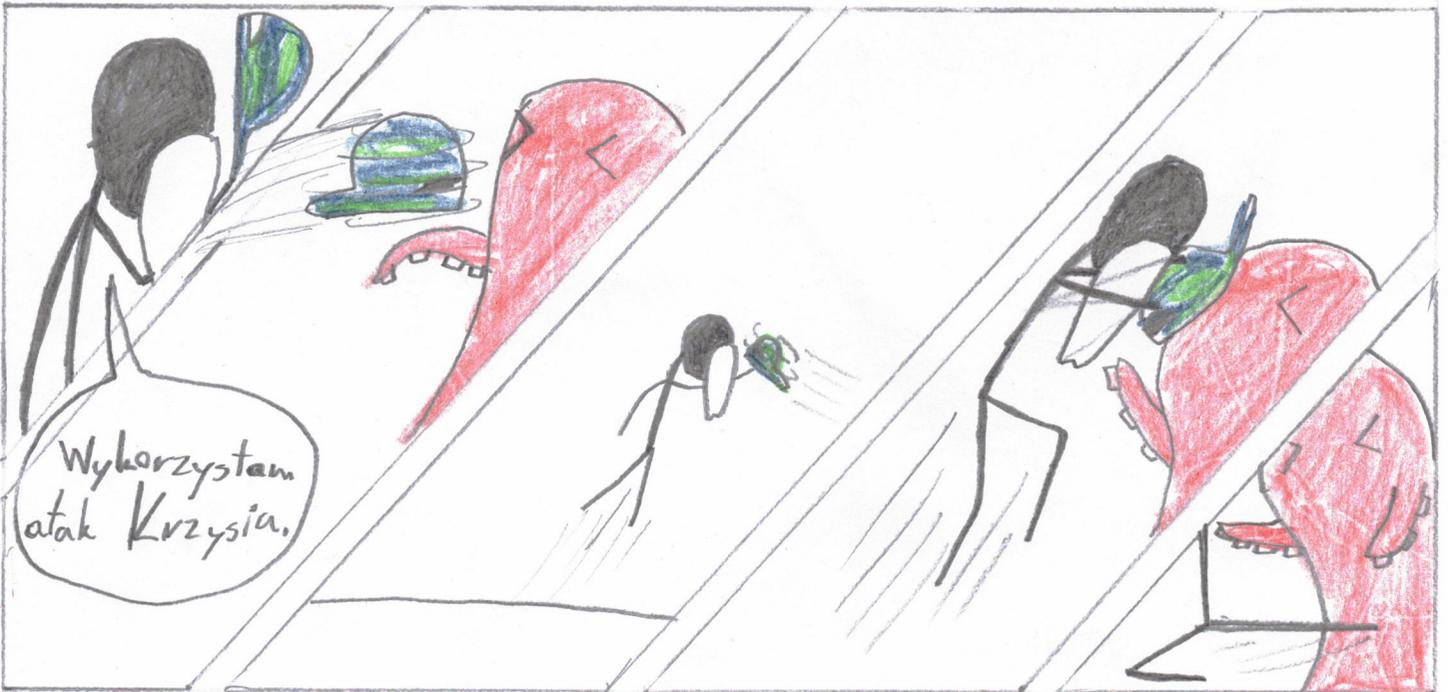

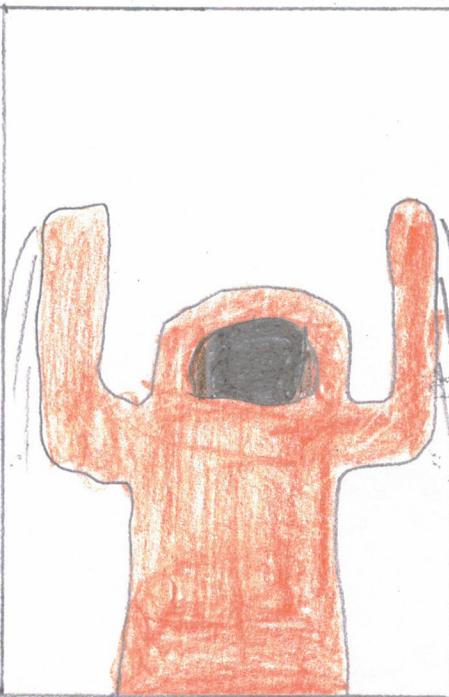

A propos...

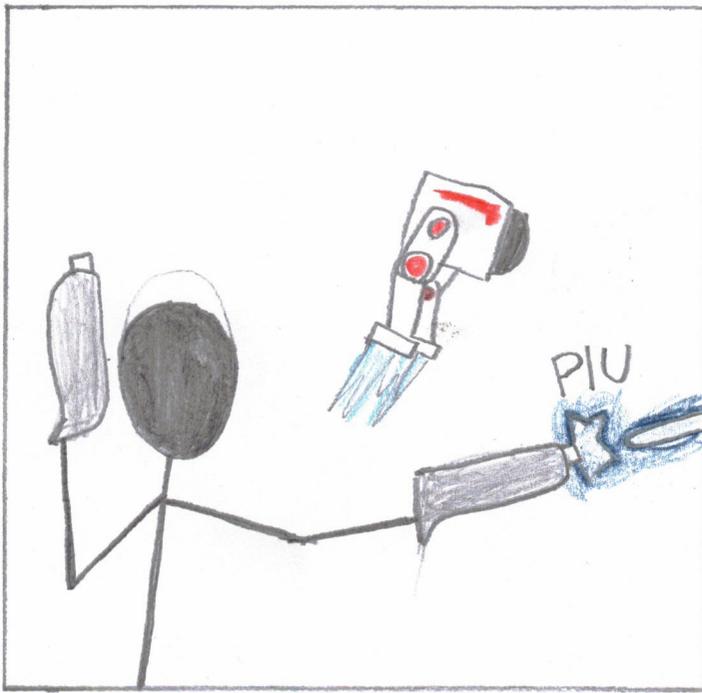

Gdzie on?

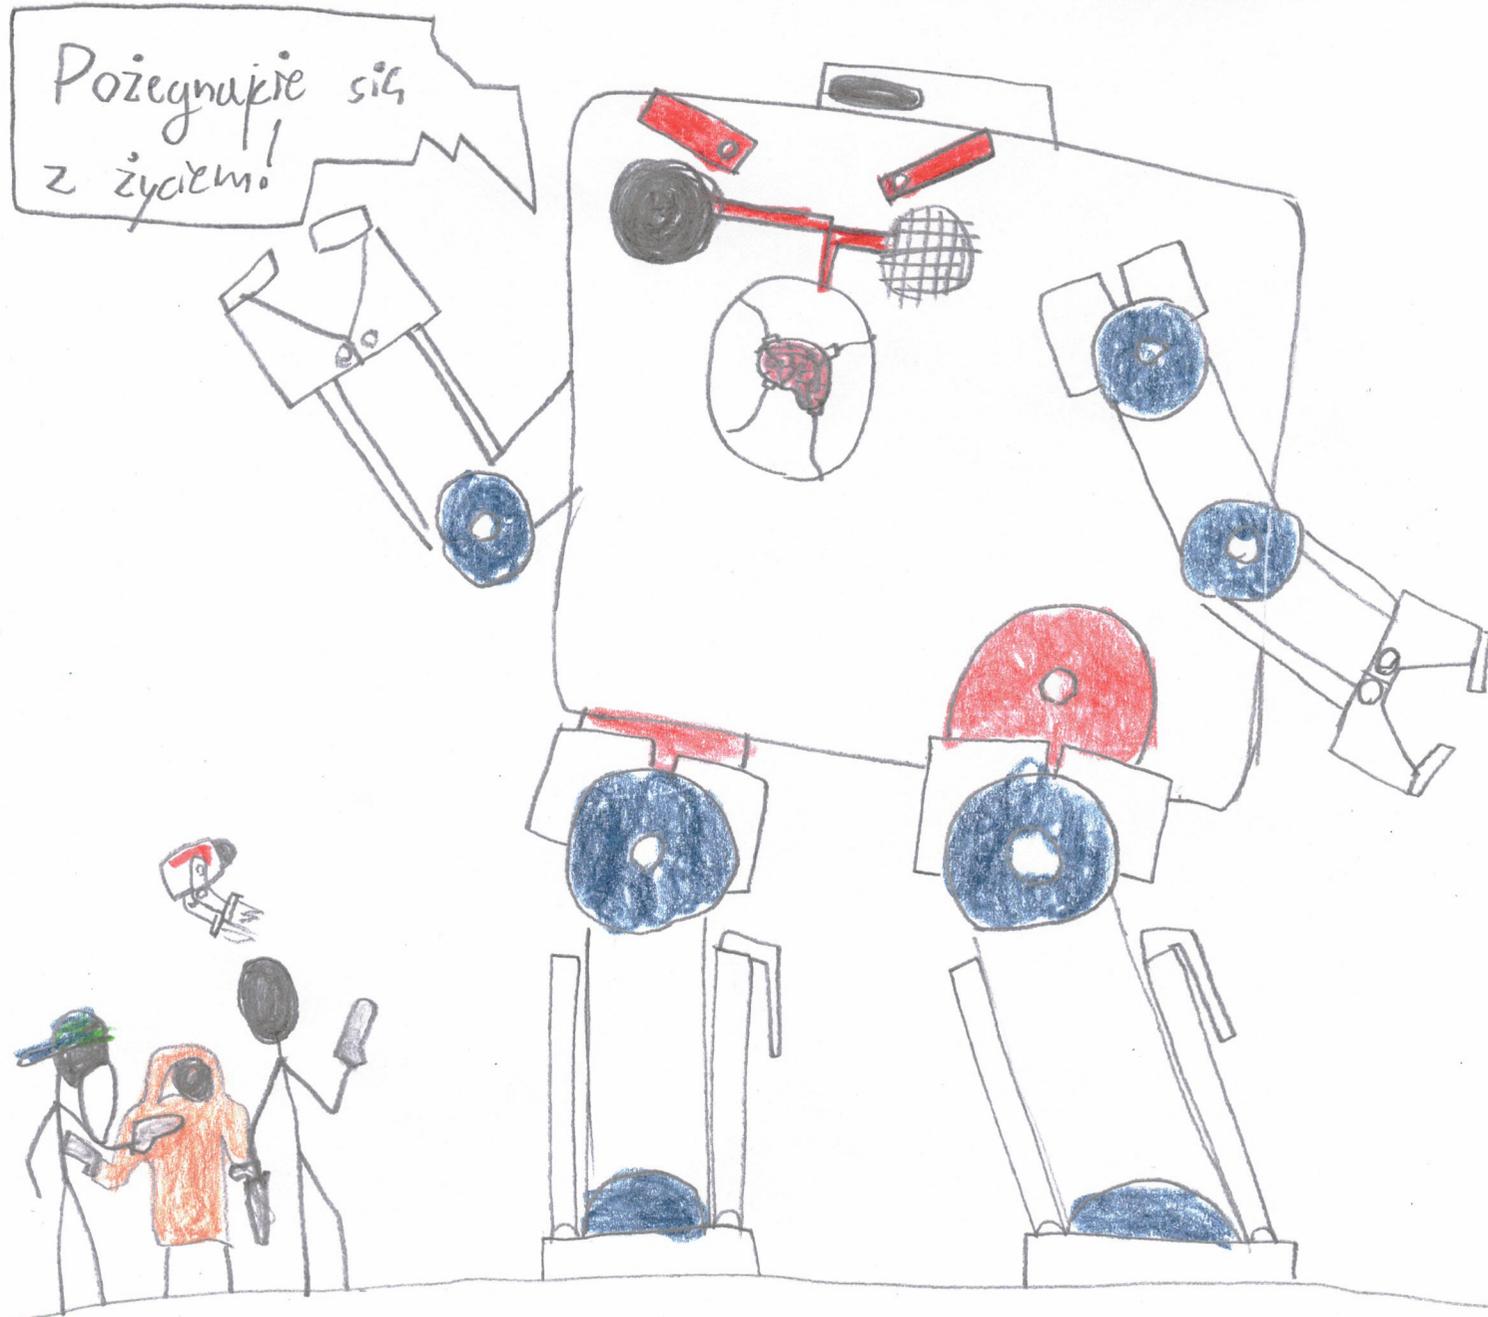

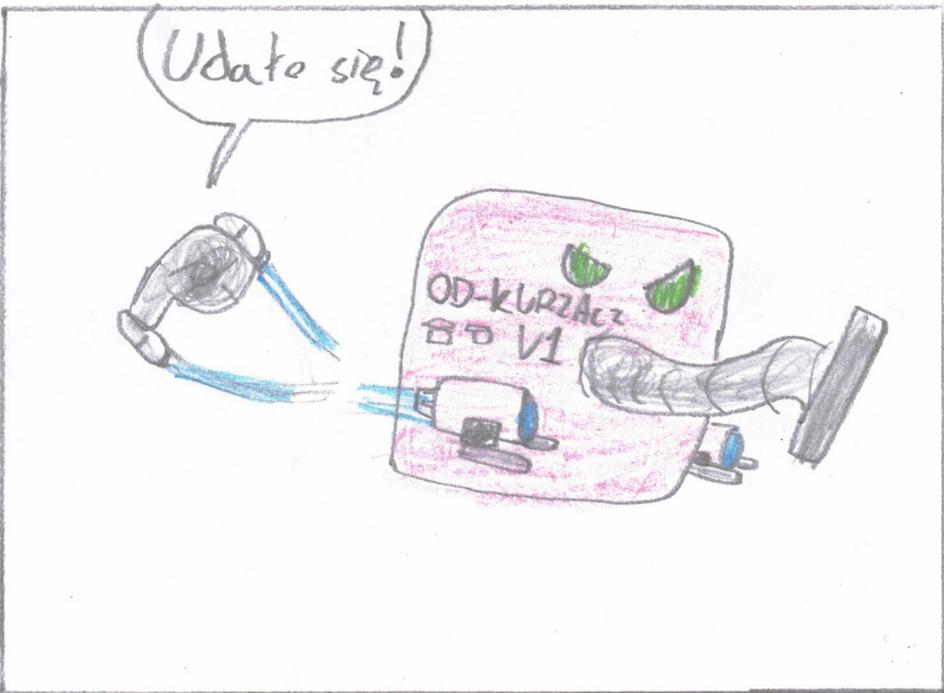

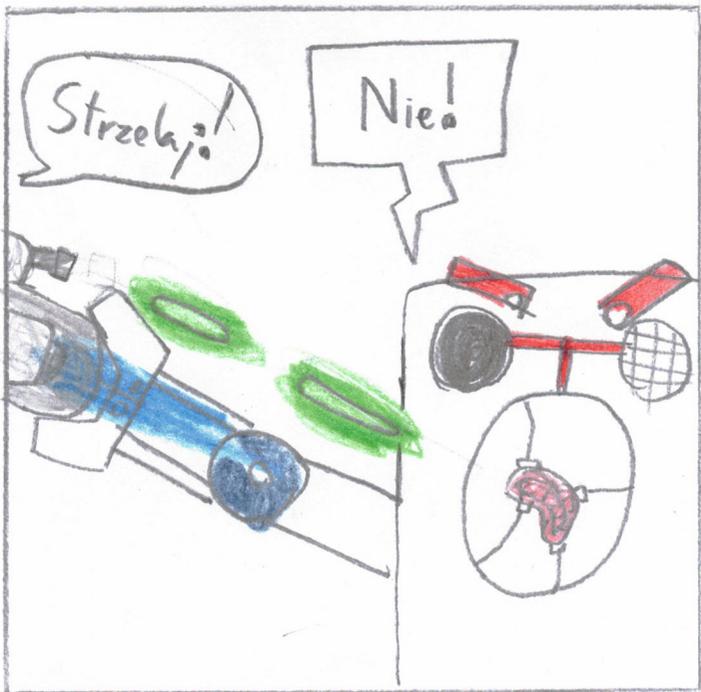

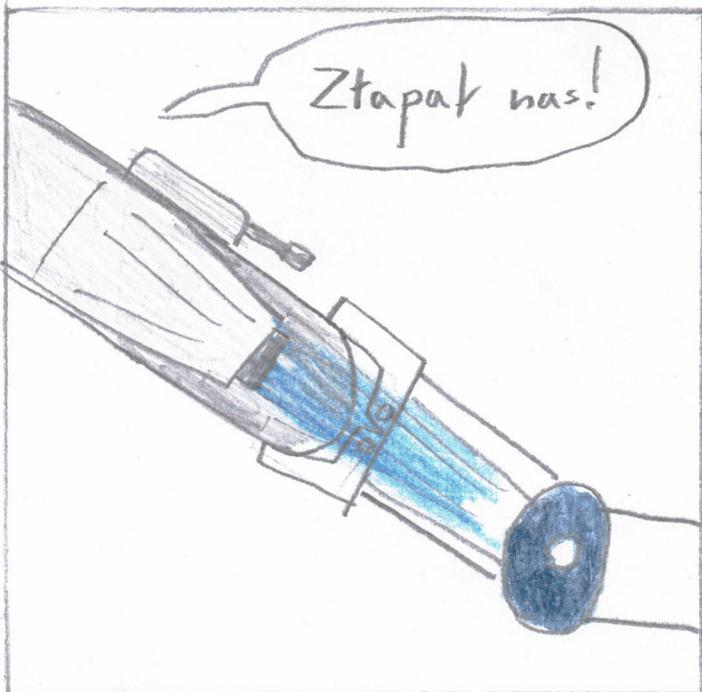

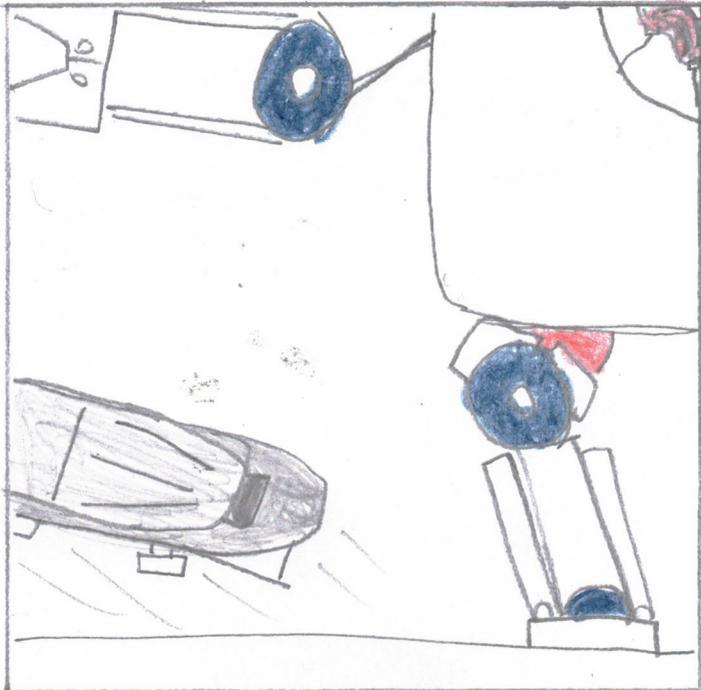

Pozegnajcie się z życiem!

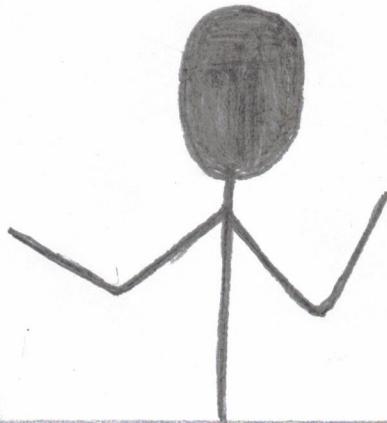

Koordynaty wysiadły, a
my musimy się
natadować.

COORDINATES
UNKNOWN

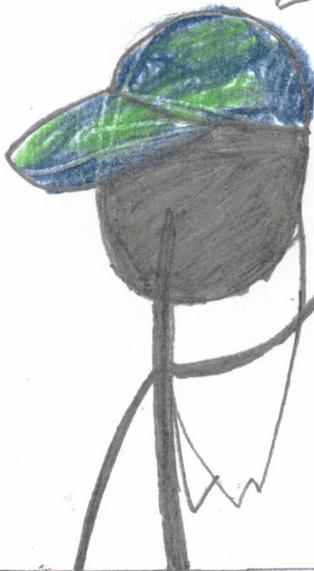

W jakim jesteśmy
sektorze?

Możemy sprawdzić
tradycyjnym sposobem.

Widzę wielki wóz
i... psy goniące.
Chyba sektor
słoneczny.

Goki, pokaż mapę
sektora słonecznego.

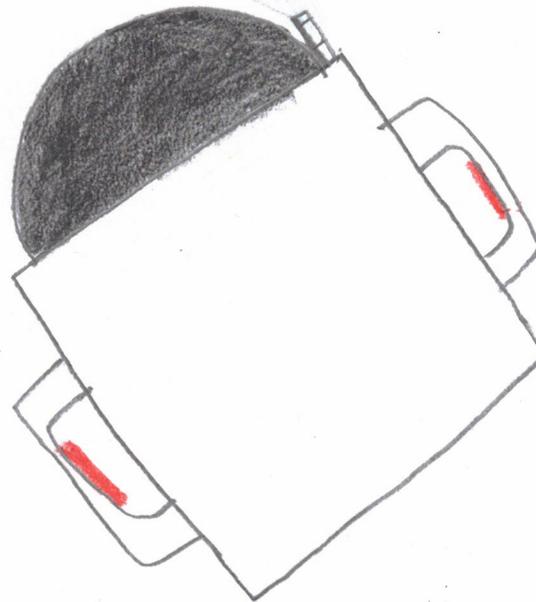

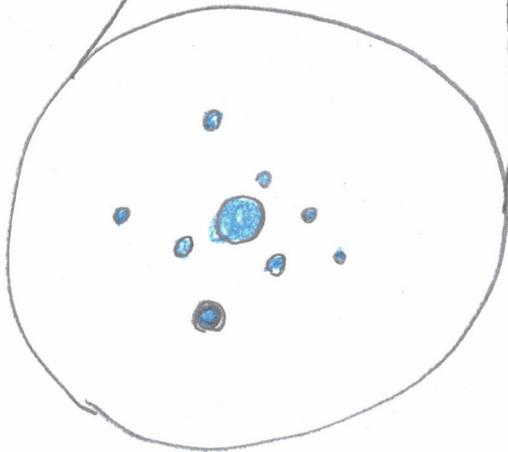

Mars jest niedaleko.

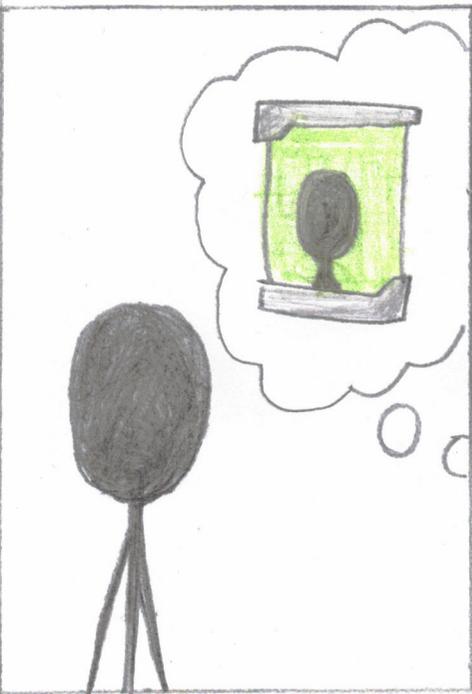

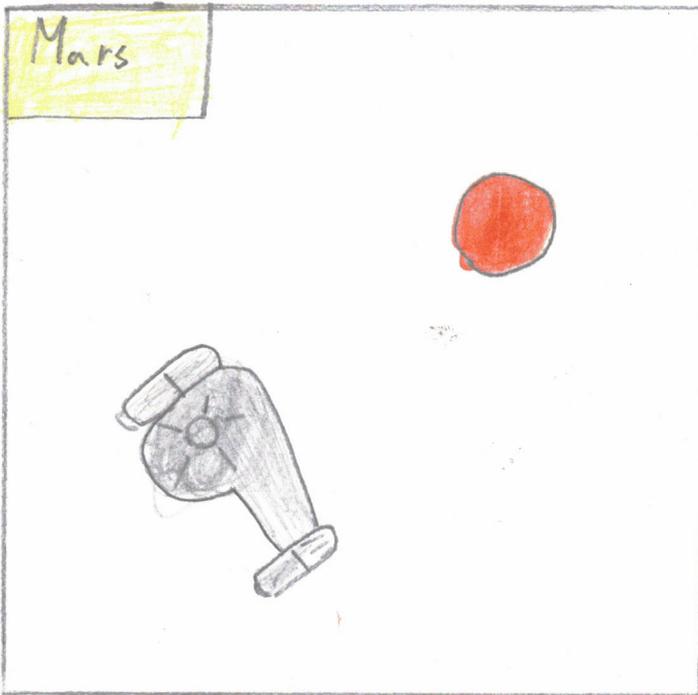

I wtopimy się w to.

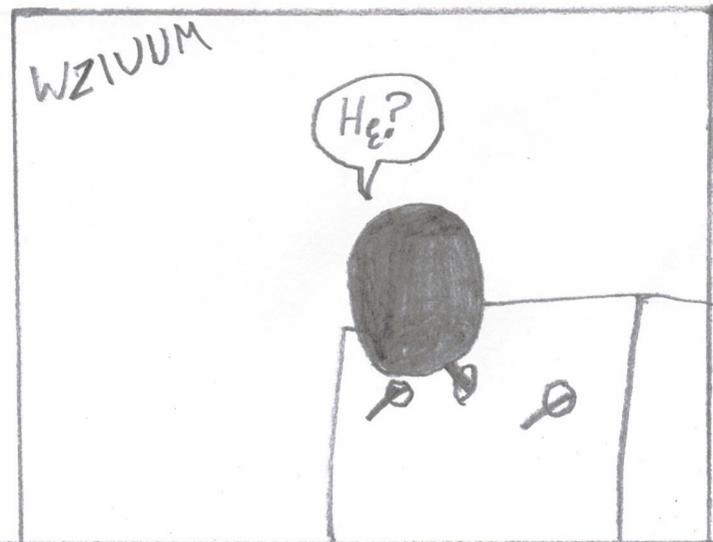

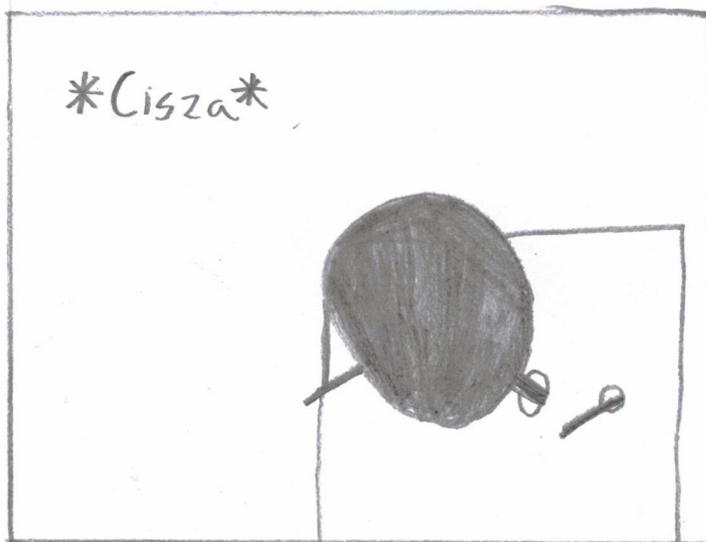

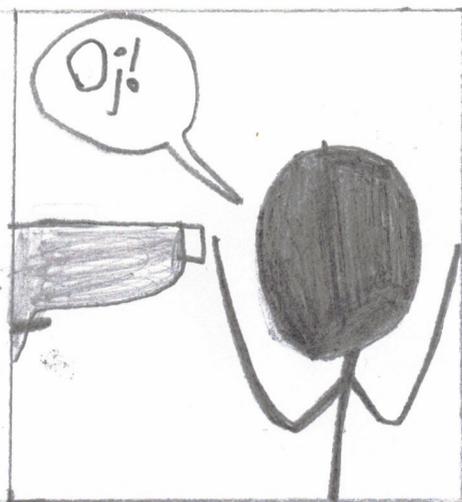

Mars jest dobrym pomysłem. Jest jedną z pierwszych kolonii galaktycznych, więc przyciąga dużo turystów.

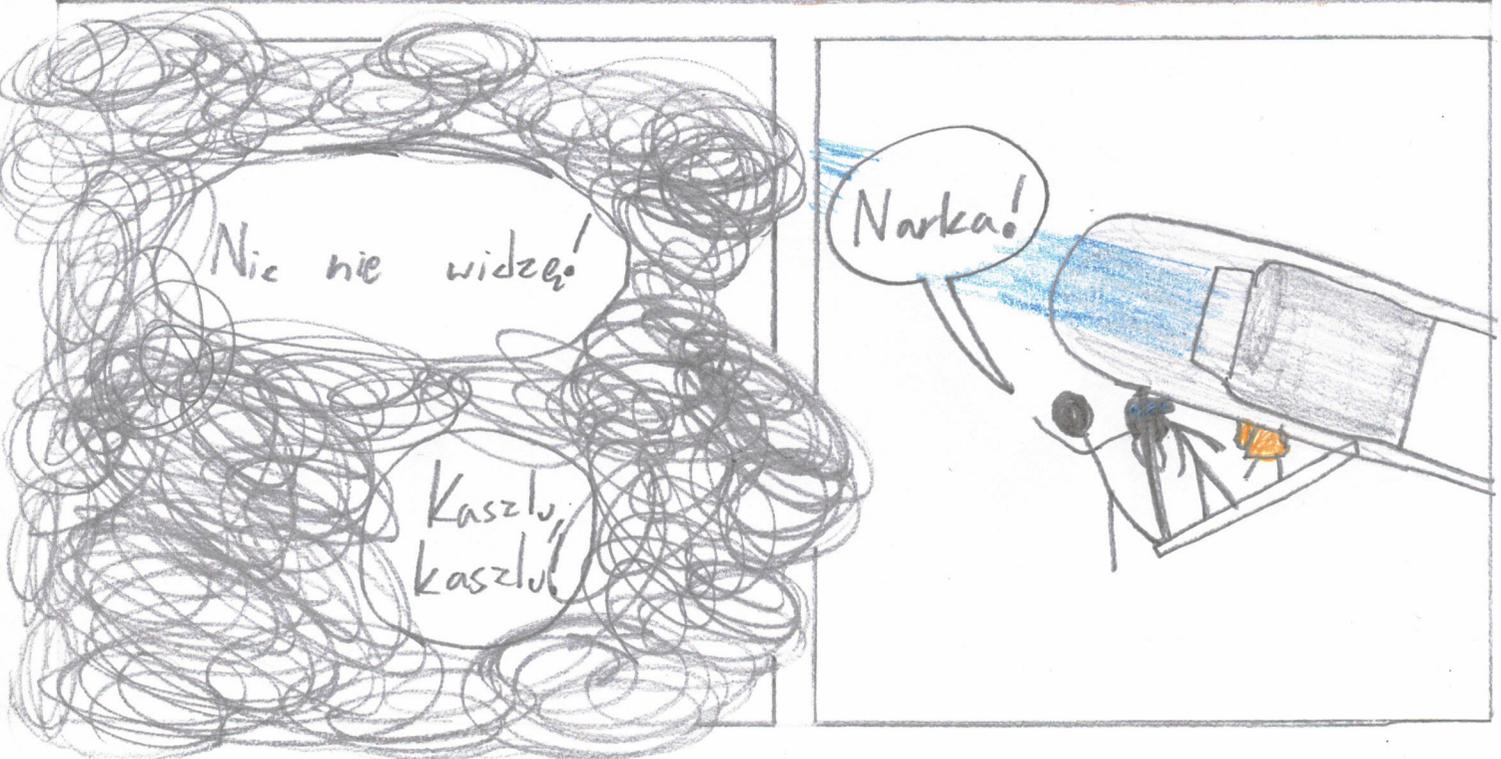

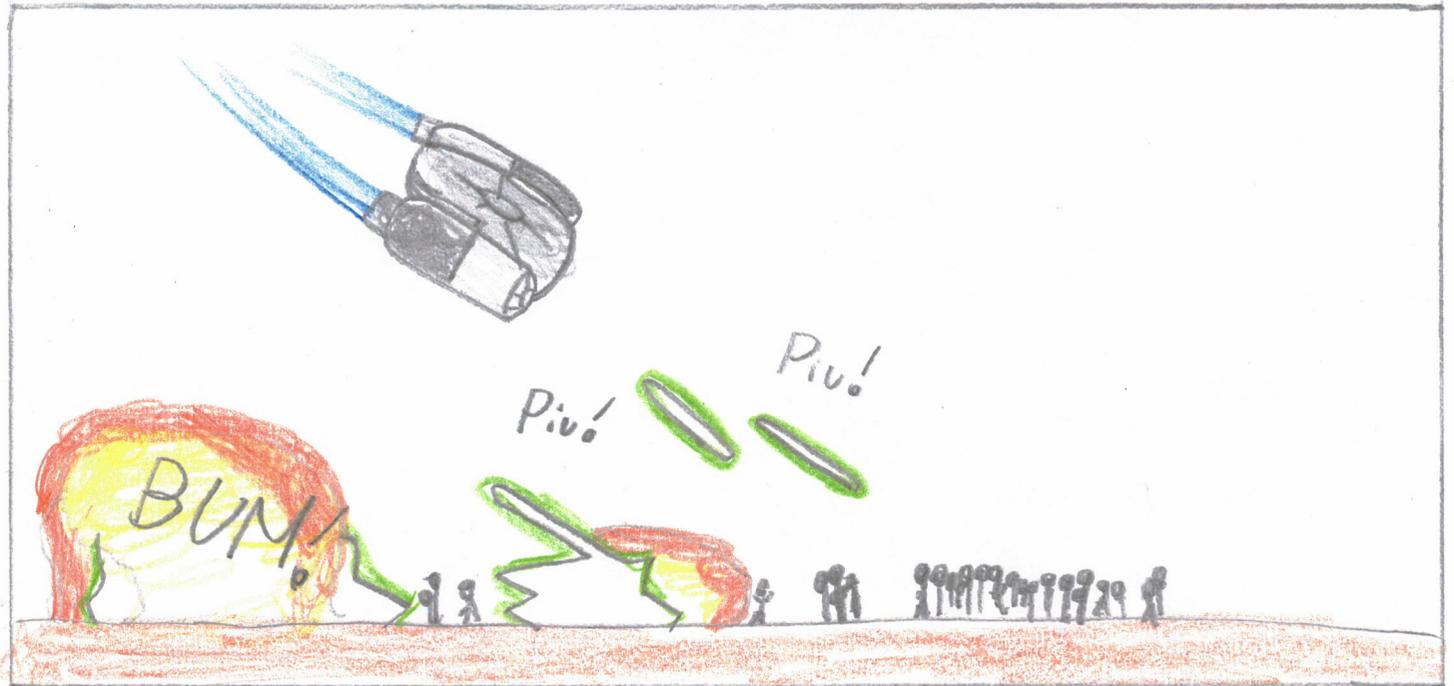

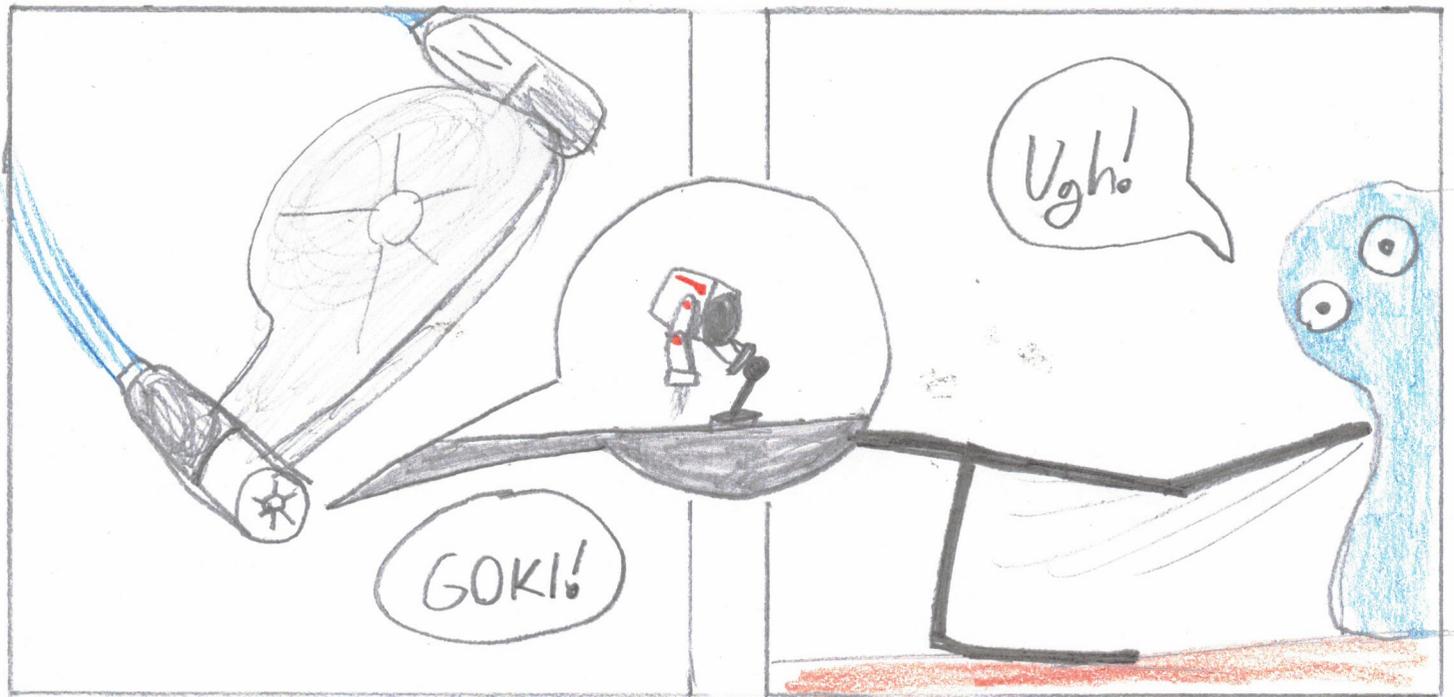

Kurs na Marsa!

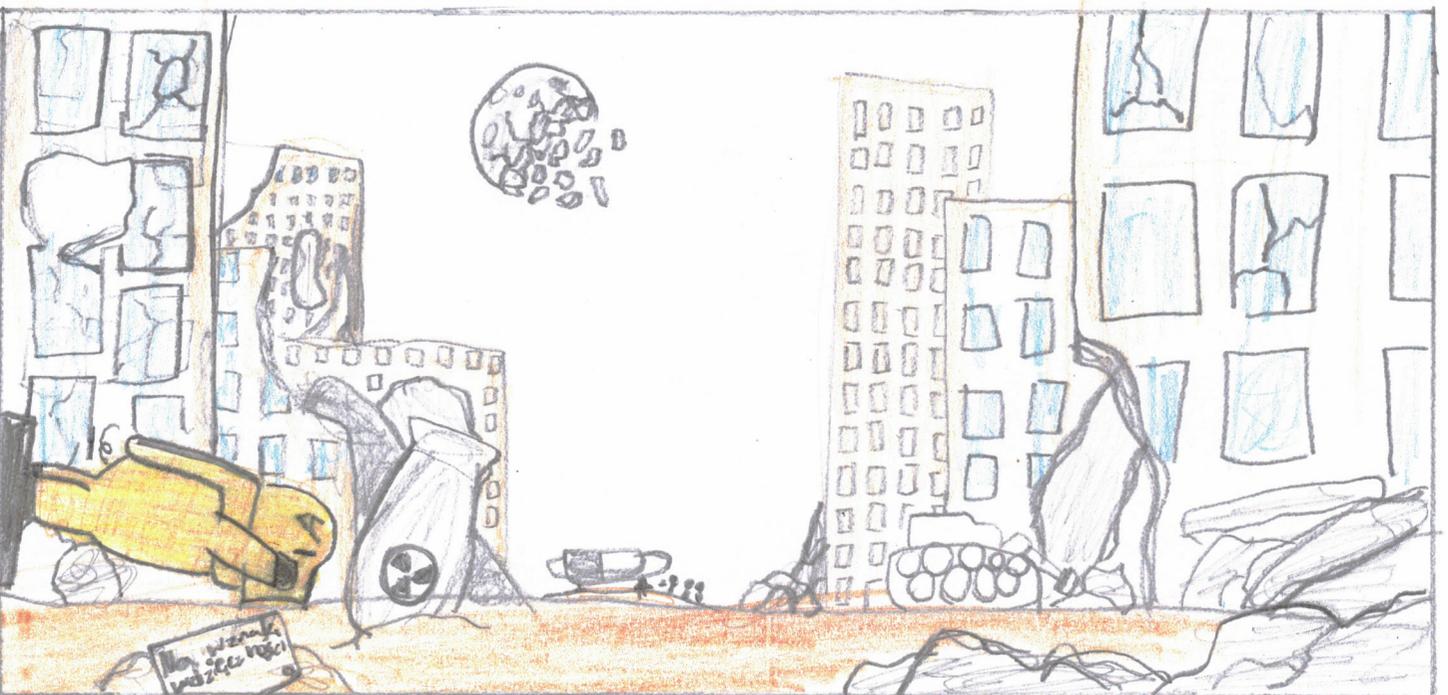

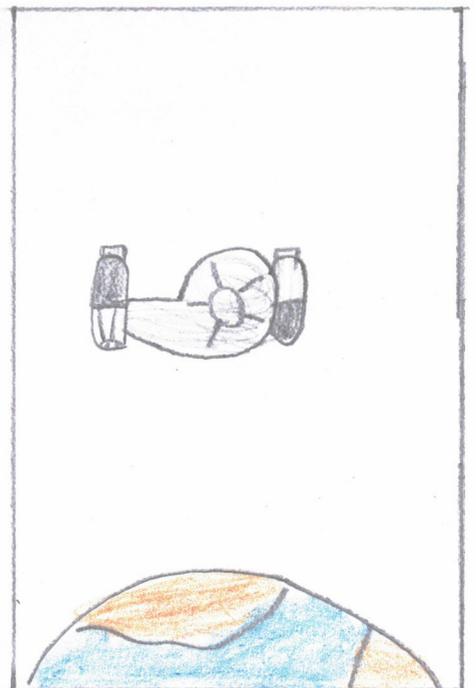

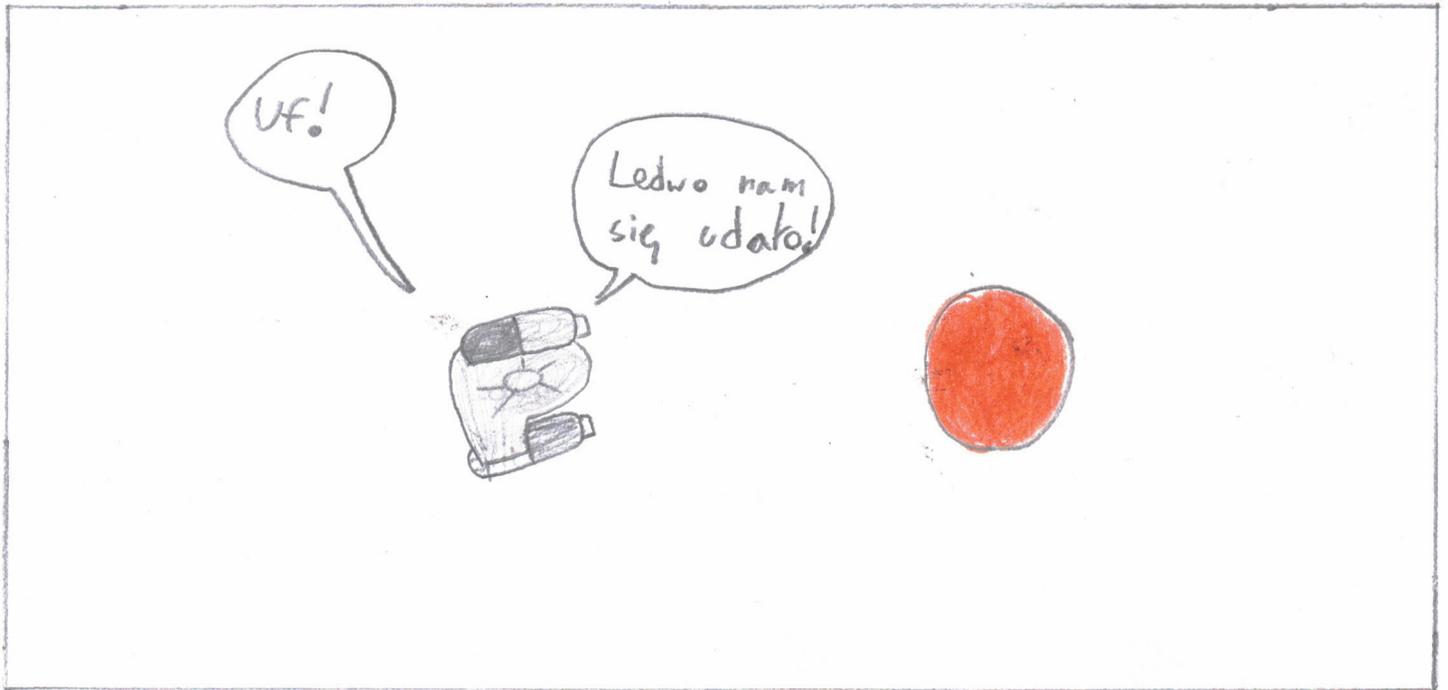

Układ Słoneczny
